Vantec Sumiso Logistics (Wuhan) Awarded Safety Management Model Company

On 19th January 2017, Vantec Sumiso Logistics (Wuhan) Co., Ltd. (VSE) had been selected as a "Safety Management Model Company Award for 2016" by SCM department of their biggest customer Dongfeng Nissan Motor (DFL), at Safety Committee held in DFL Huadu plant in Guangzhou city, China. This first honor had been dedicated to the efforts and contribution of VSE. With great pleasure, transport manager of VSE Xiangyang branch also received individual award as a "Safe Production Model".

<Reasons for receiving the award>

1. Zero accident and near-miss incident at DFL plant
2. Improvement of safety management system during 2016

In the context of receiving this award, VSE aggressively engaged in safety activities by MD and all employees in FY2016. Specific activities such as periodic safety patrols, thorough 5S3T, special safety activities targeting to the operation areas which particularly occurred many accidents, analyzing such accidents from the past, and managing its progress against the countermeasures. As a result, VSE had raised the level of safety management and gained high evaluation from the customer.

VSE will continue to build safe culture so that we will not be ashamed of the award and strive to receive further trust from our customers.

Please do not hesitate to contact us if you require further information.
