

## News Release

27th December 2019

### New Branch opened at Monterrey

The capital of Mexico's Nuevo Leon Province, 226 km (2 hours) from the US border and the commercial and industrial center of northern Mexico. One of Mexico's three most densely populated areas, with a wealth of cheap, high-quality labor, not only is the headquarters and branch offices of major Mexican companies, but also major multinationals. On the airline side, there are Aeropuerto Internacional de Monterrey Mariano Escobedo and Aeropuerto Internacional del Norte, which operate direct flights with major cities such as Atlanta, Chicago, Dallas, Pottsworth, Detroit, Houston, New York and Las Vegas, as well as Mexico. we'll have No.2 Mexican network in Japanese Logistics provider in Mexico and we'll able to cover more than 90% of all Mexican Air Cargo volume market by our own network.
