**Integration announcement of Freight Forwarding Department
of Vantec Europe Ltd. to Vantec World Transport (Netherlands) B.V.
as of 1st January, 2017.**

Dear valued clients,

Vantec Corporation and its subsidiaries, Vantec Europe Ltd. and Vantec World Transport (Netherlands) B.V. , had been carrying out a strategic review on the global network of overseas subsidiaries and partners. The purpose of this review is to provide a greater synergy with all our overseas partners.

After a strategic review of future direction to enhance our freight forwarding network in Europe, it had been concluded that, as of 1st of January 2017, Vantec Europe Ltd. has transferred its freight forwarding department to Vantec World Transport (Netherlands) B.V., where it is specialized in freight forwarding business. This integration leads Vantec World Transport (Netherlands) B.V. to strengthen the group strategy of European freight forwarding.

With this integration, two of UK branch offices (Manchester Branch and London Heathrow Branch) will be transferred to Vantec World Transport (Netherlands) B.V.

All employees and contracts will remain the same and all operational services will be seamless with no impact.
