Vantec wins prestigious Business Transformation Award

Vantec (VEU) achieved significant recognition at the National World Sunderland Business Excellence Awards, held at the Best Western Roker Hotel on Thursday, 14 November.

We proudly secured the Best Business Transformation Award, triumphing over strong contenders including Chameleon Vocational Training Limited, Metro Plumb NE, MMC Research and Sheepfolds Stables.

This award highlights VEU's remarkable transformation over the past two years through the adoption of cutting-edge technologies and a relentless focus on innovation.

In addition, we were Highly Commended in two categories:

- Employer of the Year Award
- Large Business of the Year

This recognition is a testament to the dedication, hard work and collaborative spirit of our incredible team.

Congratulations to everyone for your valuable contributions to the success of VEU! Let's continue to build on this momentum and achieve even greater milestones together.
