

1 Jan , 2017

Integration announcement of Freight Forwarding Department
of Vantec Europe Ltd. to Vantec World Transport (Netherlands) B.V.
as of 1st January, 2017.

Dear valued clients,

The Vantec Corporation, Vantec Europe Ltd. and Vantec World Transport (Netherlands) B.V. have been carrying out a strategic review of their global network of overseas subsidiary's and partners. The purpose of this review is to provide a greater synergy with all our overseas partners.

After a strategic review of European region future freight forwarding direction, it has been concluded that, as of 1st of January 2017, Vantec Europe Ltd. will transfer their Freight Forwarding Department to Vantec World Transport (Netherlands) B.V. whose specialty is freight forwarding business. By this integration, we aim to strengthen our European freight forwarding.

With this integration, two of their UK branch offices (Manchester Branch and London Heathrow Branch) will be transferred to Vantec World Transport (Netherlands) B.V.

All employees and contracts will remain the same and all operational services will be seamless with no impact.
