Vantec's President visits Euro Freight Forwarding Operations

Vantec's President Akira Koyama and Managing Executive Officer Fumiro Takagi were accompanied by Vantec Europe Ltd.'s (VEU's) management team, Martin Kendall (Managing Director), Alan Scott (Senior General Manager) and Paul Evans (Senior Operations Manager) as they visited VEU's London Heathrow office. The visit was hosted by Mike Doust, Branch Manager at the London Heathrow Office. During this visit they were given an insight into VEU's 3 year business development plan to see how VEU's activities correspond with Vantec's Global Strategy.

This visit was part of Mr Koyama's and Mr Takagi's three day European tour of Vantec's freight forwarding division which commenced on the 15th May. Prior to visiting London they called in to Vantec's Amsterdam (VNL) branch where they were given a presentation of VNL's future plans for growth within Europe. This leg of the visit concluded with a stopover at Vantec's representative office in Frankfurt, Germany.

Before travelling back to Vantec HQ in Kawasaki, Japan; Mr Koyama and Mr Takagi were able to fit in a visit to Vantec's parent company, Hitachi Transport Systems in Basingstoke.
