The Fastest 50 – Update

On 18th September, it was announced that Vantec Europe Limited had made it into the Ward Hadaway Fastest 50 for 2013, representing the North East's fastest growing private businesses (See the last news post for more information).

Alan Scott, Senior General Manager, attended an awards ceremony on behalf of VEU at the Baltic Centre in Gateshead on Friday 4th October, along with the other members of the Fastest 50.

Awards were given here to the fastest growing small, medium and large business, as well as an overall award for the fastest growing business of the year, which was won by SMH Products Limited, who offer training, hire, and maintenance services to those working in nuclear/chemical environments.

Vantec excitingly came 14th on the list. Thank you to our customers, suppliers and every member of staff for helping us reach this position.
