## The Fastest 50

Yesterday, it was announced that Vantec Europe Limited have made it into the Ward Hadaway Fastest 50 for 2013, representing the North East's fastest growing private businesses, a list compiled with the help of experts from St Chad's College/Durham Business School.

The list is sponsored by leading law firm, Ward Hadaway, and backed by the Journal; it celebrates the companies, ranging from sectors such as retail, to engineering and offshore industries, that are leading the way of the economic recovery in the region, and Vantec are very proud to be a part of it!

VEU will attend an awards ceremony at the Baltic Centre for Contemporary Art in Gateshead on Friday, October 4th along with the other members of the Fastest 50. Awards will be given here to the fastest growing small, medium and large business, as well as an overall award for the fastest growing business of the year. Good luck to all!
