

## News Release

13th October 2016

### Corporate Website Renewal Announcement

Vantec Corporation is pleased to announce today the launch of a new and enhanced website for the Vantec Corporation Group. The entire design and the structure of our current homepage have been upgraded to global website.

This renewal project is one of the first key steps to support its global growth strategy in order to make easier and more convenient to search necessary information with regard to our business activities as Vantec group for all our valuable stakeholders such as customers, business partners, shareholders and investors through our brand new website.

We aim to proactively and effectively deliver updated valuable information regarding our business activities, products and services to our stakeholders based on “The science of logistics” and we also utilize our website as a part of sales and marketing tools for global users.

We remain committed to providing the best solutions for all visitors around the world and aim to have a better communication with our customers.

Thank you for your support and co-operation.
